

## How to Register Realm ID Account (All User Groups)

17 December 2025

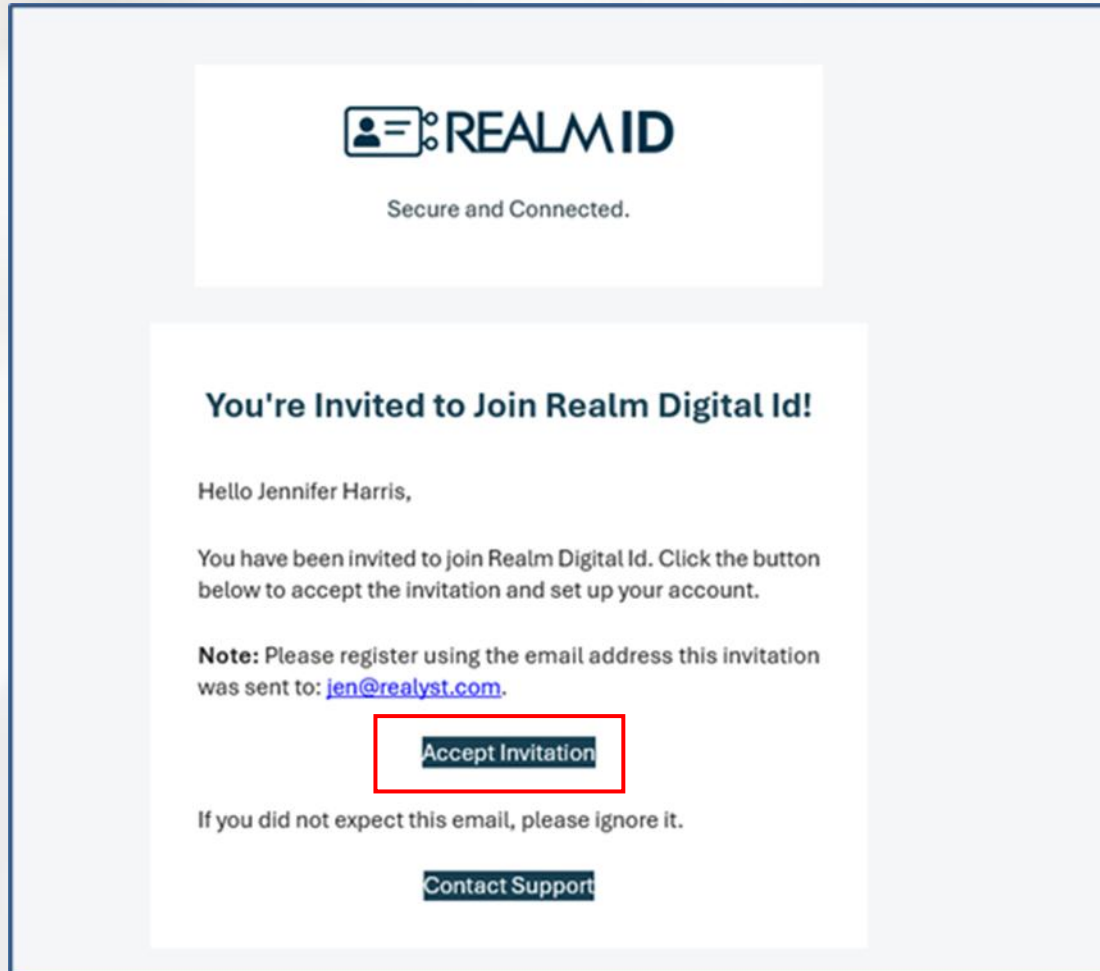

# Welcome to Realm ID

This training presentation is geared for all user groups and to provide step by step guide on how to register your account and sign-in to Realm ID application

## INVITATION TO JOIN

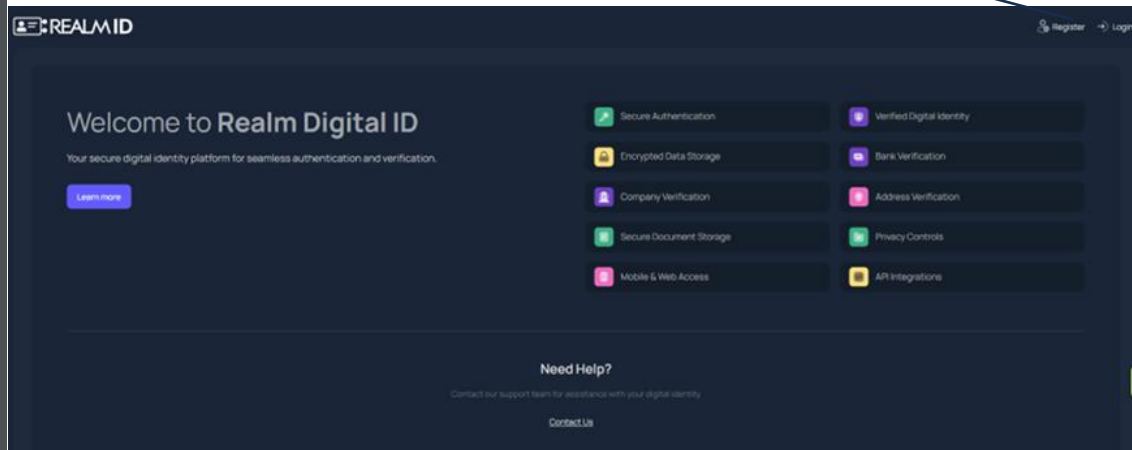

To access the Realm ID application, you will receive an email invitation from Realm ID administrator to join Realm Digital ID.

Click the “**Accept Invitation**” tab to be directed to the registration page

# REGISTRATION TAB

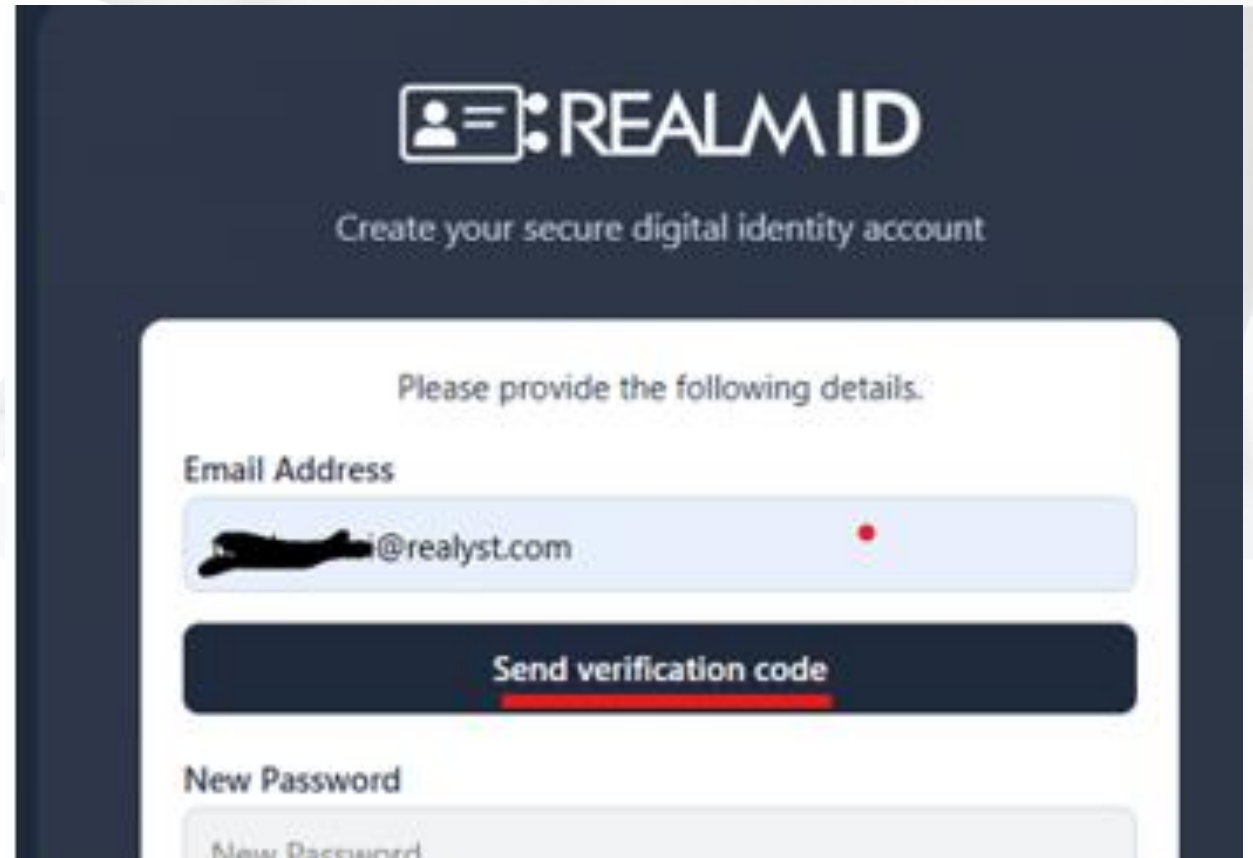

Register  
tab

From the top right-hand corner of the Welcome to Realm ID page, click “**Register**” tab to register your account.

## REGISTER EMAIL ADDRESS

Type your email address and click  
“**Send Verification Code**” tab to  
verify your email address

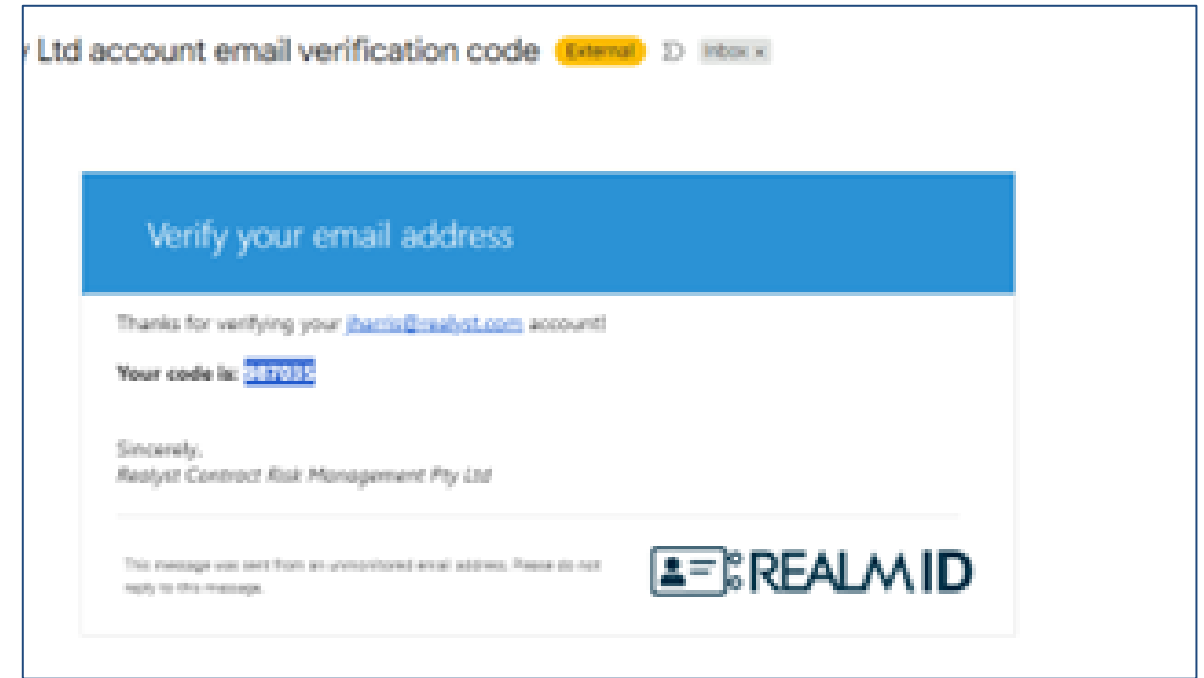

The screenshot shows the REALM ID registration interface. At the top, the REALM ID logo is displayed with the tagline "Create your secure digital identity account". Below this, a white box contains the instruction "Please provide the following details:". The first field is "Email Address", which contains a redacted email address followed by "@realyst.com". A red dot is visible at the end of the email address field. Below the email field is a dark blue button with the text "Send verification code" in white. Below the button is a "New Password" field, which is currently empty.

**NB:** Please note that your email address will be verified first before you can move to the next steps of completing the rest of the fields.  
Please ensure email is captured correctly to receive your code

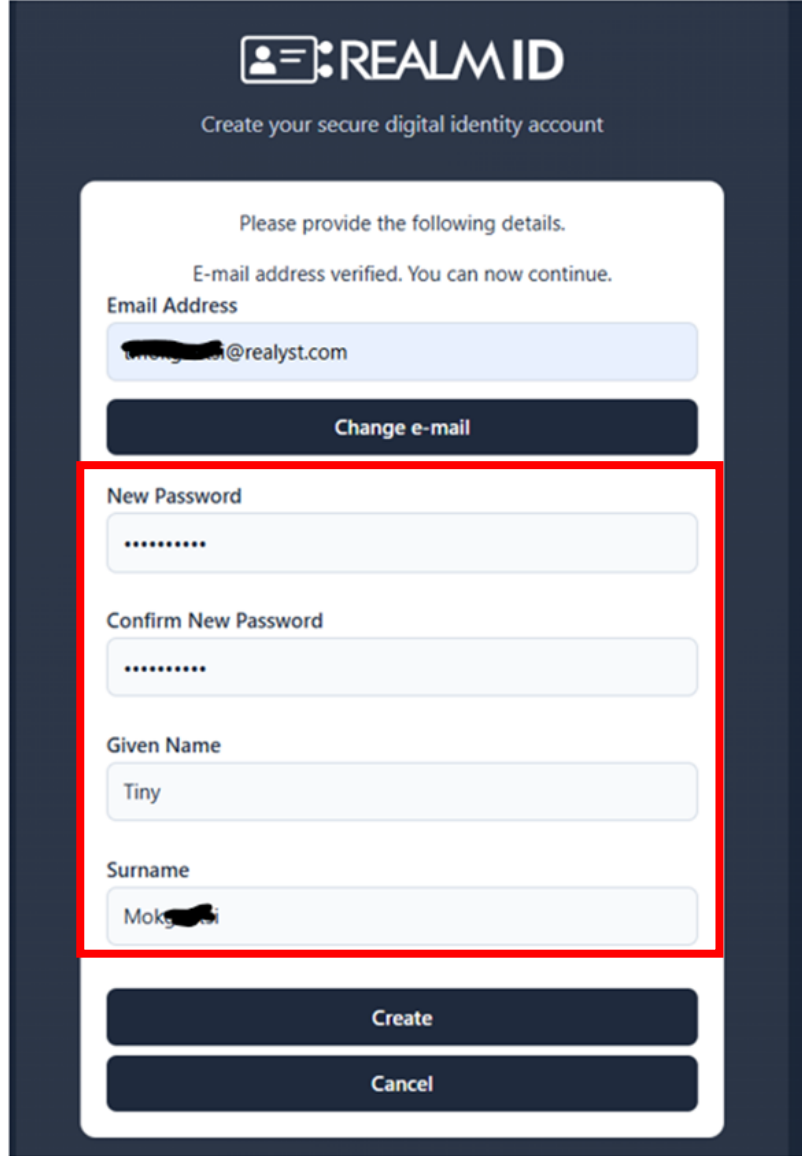

# EMAIL VERIFICATION NOTIFICATION

Check your emails  
for an email  
notification with  
the verification  
code.

**NB:** Please check your spam folder should you not receive your verification code and ensure email address was captured correctly

To continue registering your account, enter New Password, Confirm Password and enter Name and Surname and click the “**Create tab**”.

**REALM ID**  
Create your secure digital identity account
